Dear Sir/Madam,

**Re: Resident Parking Schemes – Crownfield and Cann Hall**

Following consultation in September last year, Crownfield and Cann Hall Resident Parking Schemes have now been approved.

The plan overleaf shows the streets that have been included in each approved scheme area.

Parking controls in CF zone (Crownfield) will operate Monday to Friday, 8am to 6.30pm and in CH zone (Cann Hall) will operate Monday to Saturday, 8am to 6.30pm.

In May 2010 the Council will write to all residents and businesses within the two new zones advising how and by when parking permits should be purchased.

Feedback from the consultation was used to finalise the approved design. A detailed plan of the approved kerbside parking controls is available to view on the Council's website at [www.walthamforest.gov.uk/traffic-schemes](http://www.walthamforest.gov.uk/traffic-schemes).

Should you not have access to the Internet please contact Chris Mackay, the project engineer, by telephone on 020 8496 3000.

Yours sincerely

Vala Valavan

Head of Highways and Infrastructure
