

What has to go in the box?

my recycling day is:

Don't forget to put out your black recycling box by 6am!

Compulsory recycling

What does it mean for me?

From 10 September 2007, recycling will be compulsory in Waltham Forest for everyone in the Get Sorted! Door-to-Door Recycling Service.

This card shows you all the things you must recycle. Keep it in your kitchen or near the door to remind you. You can write the day of your collection in the space given. These items must be put in your **black recycling box**, not in your wheeled rubbish bin.

For more information about recycling in Waltham Forest, to check the day of your collection or to order a black recycling box, visit www.walthamforest.gov.uk/recycling or call Waltham Forest Direct on 020 8496 3000.
