

WALTHAM FOREST
SPORTS
DEVELOPMENT TEAM

The Waltham Forest Sports Directory 2006/07

 *Waltham Forest
Sports Council*

Waltham Forest

This directory provides information about sporting facilities, sports grounds and clubs in the borough of Waltham Forest.

Many thanks to all those who have contributed to the 2006/07 directory and helped to bring it up to date. If you have difficulty in finding the information you require or find that information given is wrong then please contact the Sports Council representative or the Sports Development Team.

Copies of this directory can be viewed and downloaded at www.walthamforest.gov.uk/pdfsptdirect2006.pdf

INTRODUCTION

The Waltham Forest Sports Council (WFSC) was established in March 1967 and since then a group of volunteers have met on a monthly basis to consider and discuss issues relating to sport in this borough. The volunteers are drawn from across the sports spectrum and bring to the meetings knowledge and experience of their own sport(s) plus an interest in promoting and safeguarding the well being of all types of sport in this borough.

Records show that the WFSC provided a strong voice in discussions with the local authority that eventually led to the building of Kelmscott Leisure Centre and the Waltham Forest Athletic Track. The insistence of this body was a major factor in ensuring that the Leyton Swimming Pool was replaced by a new facility before demolition of the old swimming pool went ahead.

This body maintains links with bodies such as Sport England, the London Playing Fields Foundation and the London Federation of Sport and

Recreation. These links proved invaluable in supporting Eton Manor RFC's attempt to purchase the Nutter Lane Sports Ground a few years ago, where they are now well established and going from strength to strength. We also work with the Waltham Forest Schools Federation. Our links with the Sports Development Team in Waltham Forest are particularly strong and we work together in many areas, most notably the annual London Youth Games.

As a voluntary organisation we take part in the same annual grant application process as clubs and individuals. The small level of funding we receive is passed on to the community in the form of support to borough representative teams, financial support for individuals gaining or upgrading coaching qualifications which will be put to use in the borough, and a Sports Award event whereby outstanding achievement and outstanding services to sport are recognised.

The members of WFSC recognise the need to provide an up to date directory of sports clubs and sports facilities in Waltham Forest. This document is the most recent update of information, which I hope will be very useful to many people. I refer to my directory many times daily, partly for my own needs and also to pass on

information to other people. If it is as well used by others the time and costs invested in its production will be well justified.

Working as part of the WFSC has been very fulfilling over the past twenty-five years. However, all is not well in the area of sport whether it is the loss of playing fields, the poor state of changing rooms, the cost of hiring sports facilities or the shortage of qualified coaches and officials. There is much work still to be done and the more sports represented on this body the stronger our voice will be. If you can spare two hours once a month (the third Monday of every month, 7.30-9.30pm) and are interested in joining us, please call me.

Jim Howell

(Chair,
Waltham Forest Sports Council)

The Sports Development Team are the first point of call for all your sporting needs in Waltham Forest. Our work is based on the boroughs Sport and Physical Activity Strategy the key outcomes being,

- Use the opportunity provided by the Olympics to develop sports programmes throughout the borough.
- Increase participation in sport and physical activity by the local population.
- Support sports clubs and organisations in the borough to meet the sporting needs of local people.
- Provide affordable and accessible sports facilities and exercise programmes across the borough.
- Waltham Forest clubs and individual sportsmen and women to achieve regional, national and international success.

If you have an enquiry on any sporting issue, whether you belong to a club, group, sporting organisation or not, please contact the Waltham Forest Sports Development Team who will be delighted to help you in any way we can.
