

# Vision for Waltham Forest 2012

Our Vision provides a commitment to our long-term aims that give a focus to the work we all do.

Our commitments are:

## Quality spaces

We want Waltham Forest to be a place where people want to live, work and visit.

## Aspiration and success

We want aspiration and success to be features of this vibrant borough with new industries and highly skilled residents.

## A community fit for all

We want Waltham Forest to be a community fit for all is characterised by tolerance, caring, respect and cohesion between different groups.

## Working for Waltham Forest

We want to be proud to be working for Waltham Forest, a top performing Council providing excellent services, accessible to all and led by customer needs.
