Send this form, supporting documents and fee to the Parking Control Office.

A charity parking permit is a virtual permit that, when activated, entitles the user to park their vehicle in a residential shared use parking bay in the designated controlled parking zone. The permit is vehicle specific and the vehicle must be parked within a parking bay to avoid enforcement action.

Terms and conditions

- Complete the form fully, including proof of ownership and, if needed, an insurance certificate (see below).
- Permits are not valid on yellow lines, in emergency service bays, market trader bays, catering bays, short-stay bays, Pay&Display or PayByPhone bays, in car parks, in bays designated for a specific purpose (eg: loading bays) or in a suspended parking bay. Permits are only valid in the zone(s) covered by the permit.
- The user is responsible for ensuring the permit is activated when the vehicle is parked. Vehicles parked without an activated permit are subject to a Penalty Charge Notice and other parking enforcement action.
- Permits can only be issued to vehicles that do not exceed 2.3 metres in height or 5.25 metres in length.
- The permit is only valid on vehicles that have a current road fund licence (tax disc).
- Permits will not be issued to applicants with outstanding unchallenged Penalty Charge Notices.
- The issue of a permit does not guarantee the user a parking space.
- The council has the right to suspend parking at any time.
- If you change your vehicle during the validity of the permit you must immediately notify the Parking Control Office. You must complete a further application form and pay the appropriate fee.
- If your vehicle is stolen, you must report this to the Parking Control Office. You must complete an application form and pay the appropriate fee.
- You must renew your permit before it expires – it is your responsibility to renew the permit in time.
- A false declaration will invalidate your permit with immediate effect and may lead to prosecution.
- We will not issue more than 2 foreign vehicle permits per vehicle in a 12-month period.

Acceptable proof of vehicle ownership

- A photocopy of the vehicle's V5 Log Book, or a copy of the vehicle rental or lease agreement. We will not accept responsibility for the loss of original documents.
- A letter on charity-headed paper showing the VAT number and address. The letter must confirm your address, employment status within the company and that you are the main user of the vehicle.

Acceptable proof of insurance

For 'all zone' permits, we need a copy of the vehicle's insurance certificate proving cover for business use.

Your data rights

We will process your information primarily for the purpose of providing parking services. We may also use your information to detect and prevent fraud and to protect public funds. This may include recording vehicle information and verifying residency status and parking entitlements both within and outside the borough.

We may disclose your information to, or request information from, Tracesmart®, law enforcement agencies and others, such as local authorities. We take action to ensure our parking services are used lawfully. This includes surveillance equipment, Civil Enforcement Officers, auditors and dedicated investigators. We may also use your information to recover unpaid Penalty Charge Notices issued in Waltham Forest. In order to protect public funds and counter suspected fraudulent use of parking services, the council and its agents undertake investigations involving random auditing of vehicles and users who hold parking permits.

If you wish to complain at the manner in which your personal data is processed or may be used, you should write to the: Data Protection Officer, Waltham Forest Town Hall, Forest Road, London, E17 4JF or via email to Information.Officer@walthamforest.gov.uk
