The following information explains what financial help you can expect to receive from the Corporate Parenting Service. It includes advice on the benefits available to young people.

The financial help available to you will vary depending on your individual circumstances, so please read on, and don't forget to speak to your Social Worker or Leaving Care Coach if you want more information.

1. The Legal bit

1.1 **The Children Act 1989** remains the general legal framework for young people in and leaving care. More recently legislation has been updated and supplemented its provision.

1.2 **Children (Leaving Care) Act 2000** identify responsibilities of Local Authorities in terms of specific support that needs to be offered to Care Leavers

1.3 **The Children (Leaving Care) Act 2010** extended the types of services and the upper age limits of the young people local authorities were responsible for as corporate parents. The four groups eligible for services include;

- **Eligible child** – A child aged 16 and 17 and currently “looked after”, either on a Care Order (Sec31 of the Children Act 1989) or accommodated (Section20). To be “Eligible” the young person must have been looked after for a period of 13 weeks, or periods amounting in total to 13 weeks, which began after their 14th birthday and ended after their 16th birthday.
- **Relevant child** – A child aged 16 and 17 who have been looked after for at least 13 weeks since the age of 14 and who has left care on or after their 16th birthday. Young people who have a planned move back to a parent (s) or someone with parental responsibility. After the first 6 months period the young person becomes a Qualifying Child.
- **Former relevant child** – A young person over 18 who was previously ‘eligible’ or ‘relevant’ Local Authorities support this group at least until the age of 25 unless the young person has stated in their Pathway Plan that they no longer need a service from LBWF post their 21st birthday.
- **Qualifying child** – A young person aged 16-21 who left care on or after their 16th birthday and who were looked after for less than 13 weeks since their 14th birthday. Also a ‘relevant child’ who has returned home for six months or more.

- 1.4 **The Children and Young Person Act 2008** further extended support for young people in and from care. It gives guidance to local authorities on how to support young people in and from care.
- 1.5 **Planning Transition to Adulthood for Care leavers-** This guidance sets out local authorities responsibilities towards Care Leavers. It includes setting the frequency of visits, higher education bursary and extension of support to young people aged 25 and the option of returning for an assessment up to the age of 25. This policy relates to young people who have been former relevant. Young people classified as Qualifying Children do not meet the criteria for support under this policy.
- 1.6 **Children and Social Work Act 2017 Chapter 16-** requires Local Authorities to extend advice and support services to young people up to the age of 25 years. Local Authorities are also required to publish a Local offer for care leavers where services which the local authority offers for care leavers are identified.

2 Education, Employment and Training

- 2.1 LBWF acknowledge some of the difficulties that young people encounter in accessing education, employment and training. To enable you to get the necessary support your social worker and or Leaving Care Coach will do an assessment of your specific needs and do a pathway plan with you to identify your specific education, employment and training pathway plan. **Once this has been identified you must provide written confirmation** of being accepted at college/university and give us permission to liaise with them to confirm your continuing attendance. It is **important that you provide the written proof of acceptance before you start the course** as we will be unable to back-date additional educational payments unless there are exceptional circumstances that prevented you from providing the information.

3 Financial Help if you are in Further Education, Employment or Training

How long will I receive support with education/employment and training? When does support end for Care Leavers?

- 3.1 As a care leaver you are entitled to support if you are on a **continuous programme of further education**. Young people entering into Higher Education (e.g. degree level) as part of a continued program are entitled to support until they are 25 years of age or the course is completed.
- 3.2 If you are starting employment then support can be provided for up to a maximum of four weeks.
- 3.3 Please note eligibility for some courses and the ability to obtain financial support may be restricted due to your immigration status.
- 3.4 It is important that you inform us of any income that you receive so that we can make a full financial assessment as part of your Pathway Plan and assess what additional financial support should be provided. All financial support is normally paid direct to your bank account.
- 3.5 Young people who remain in further education (non-advanced), and are not living with their parents or anyone acting in place of a parent, are likely to be eligible to claim Income Support when they are 18 years old. The rules state that if they enrol before their 21st birthday, they remain entitled to Income Support until the end of their academic year in which they turn 21. The rate of income support is £57.90 per week; this will be paid instead of personal allowance.
- 3.6 Treatment of earnings- For Income Support single people have a £5 per week earnings disregard. Anything they earn over 3% per week will be deducted from their weekly amount of benefits. For housing benefits if the young person's income is less than or equal to their applicable amount (£57.90 per week for a single person aged 18 – 24 years old) they will get all of their eligible rent paid for in Housing Benefit. If their income is greater than that, a calculation will be made to determine their entitlement.

What can I receive if I am in education?

- 3.7 The support you get depends on the level of course you will be studying and whether it is full time or part time. It will also depend on your leaving care and immigration status. 5 Welfare Benefits and Living Allowances

What about living costs if I am unemployed? What if I am over 18 and a Care Leaver? What if my immigration status is not sorted? Can I still get help?

Allowances:

- 5.1 If you are aged 16-18 years you will receive a weekly allowance from the Corporate Parenting Service. This will be equivalent to benefit rates £57.90.
- 5.2 If you are over 18 you need to know about Universal Credit.
- 5.3 Universal credit is a new single monthly payment for people not in work. It replaces these benefits with one single monthly payment:
 - The means tested part of jobseeker's allowance
 - The means tested part of Employment and Support Allowance
 - Income support
 - Child tax credit
 - Working tax credits
 - Housing benefit
- 5.4 If you have difficulty meeting your housing costs or Council Tax bill the Discretionary Housing Payment (DHP) and Discretionary Council Tax Hardship (DCTH) schemes may be able to help.
- 5.5 There is a requirement that you must be in receipt of Housing Benefit or getting help with your housing costs through Universal Credit to enable you to receive DHP but there are no such restriction linked to the DCTH scheme.
- 5.6 It is important that you speak to your Leaving Care Coach who will support you to apply for this online:
<https://www.walthamforest.gov.uk/content/discretionary-housing-payments>. It is important that you inform them that you are a Care Leaver.
- 5.7 The DHP Scheme will allow for your housing related benefits to be top up for a limited time to cover housing costs like rent, deposits and removals.

Jobseekers Allowance:

- 5.8 The DHP Scheme will allow for your housing related benefits to be top up for a limited time to cover housing costs like rent, deposits and removals.
- 5.9 If you are over 18 years old and unemployed you will no longer be entitled to receive a personal allowance from the Corporate Parenting Services and **will be expected to claim benefits.**

- 5.10 If you are currently seeking employment or you are studying part-time you will be expected to claim 'Job Seeker's Allowance' from the Benefits Agency and will be given advice and assistance to make a claim soon to be replaced by Universal Credits.
- 5.11 If you are making a new claim for Job Seekers Allowance or Income Support we will provide you with up to **four weeks discretionary** living allowance whilst you await payment from the Benefits Agency.
- 5.12 In some circumstances, this could be extended by a **further 3 weeks** if you can allow us to verify your circumstances with the Benefits Agency.
- 5.13 Whilst we can help you, it is your responsibility to make a claim, visit the job centre and return completed application forms, attend interviews and appointments and **provide proof that payment has not been received.**

Income support:

- 5.14 If you are aged 19-21 and living away from your parent/s you may be entitled to claim income support and housing benefit if you are studying further education. You have to enroll on the course before your 21st birthday and can't claim until the course finishes.

6 Sickness and Disability

What if I'm too sick to work and over 18? What financial support will I be entitled to?

- 6.1 If a young person is over 18 years of age and is not capable of working due to sickness or disability, they may be eligible to claim Employment Support Allowance (ESA). They will need to supply medical certificates from their GP to support a new claim for ESA. They will then enter a 13 week assessment phase where a health care professional appointed by the Department of Work and Pension (DWP) will carry out a work capability assessment.
- 6.2 Additionally if a young person has an ongoing disability or a condition which affects their daily life they should consider making a claim for Personal Independence Payment (PIP). PIP can be paid in addition to any other benefit or income, and it will trigger the payment of extra premiums, advice can be sought from the Benefits Advisor if any young person is in receipt of, or is wishing to claim PIP.
- 6.3 PIP is replaced Disability Living Allowance (DLA) as part of the Welfare Reform Act 2012. The change affects 16 to 64 year olds who are currently receiving DLA or who wish to make a new claim.

7 Unaccompanied Asylum Seeking Children (UASC)

- 7.1 Asylum seeking young people within LBWF Corporate Parenting services, usually have equal access to financial support from Corporate Parenting Services as detailed within this guide. However, depending on their immigration status, they may have differing entitlements to public funds which could affect their entitlement to claim welfare benefits and to accessing education related funding.
- 7.2 Most children, who arrive in the UK seeking asylum without a parent or guardian, will be seen by the asylum screening unit and make application for asylum. Commonly they are granted Discretionary Leave for three years, or until they are 17 years and 6 months old, whichever comes first. They then have the opportunity to make an “in – time application” for this leave to be extend, and as long as they do this before their original leave has expired, they will usually have access to public funds, which includes entitlement to welfare benefits.
- 7.3 If the decision on their application to extend their leave to remain is negative, but they make an in time appeal, they still have access to public funds until all of their asylum appeal rights have been exhausted.
- 7.4 You will receive a weekly living allowance from the Corporate Parenting Service. This will be based on current benefit levels. This will be paid directly into your own bank account fortnightly and will be your main source of income.
- 7.5 For those young people who are refused asylum and/ or have exhausted all of their appeal rights, they would not have access to public funds, including welfare benefits. At this point your allocated Leaving Care Coach from Corporate Parenting Service will work in partnership with the UK Visas and Immigration Department and Asylum Support Application UK to provide financial support to these young people whilst they are waiting for instructions and assistance in leaving the country. This Government legislation is currently under review.
- 7.6 Should your immigration claim not be completed by your 21st birthday and you are not in an agreed program of higher education, you’re financial and accommodation needs will be transferred to the National Asylum Support Service (NASS).

8 Rent, Accommodation Costs and Council Tax

What about rent and council tax?

I'm not working or studying so how do I pay my rent and council tax?

- 8.1 If you are between 16 and 18 years old we will continue to pay your costs associated with rent if you are living in semi-independent or independent living (except where you are living with a family member or friend under foster care arrangements and or have returned home to a parent).
- 8.2 Knowing how challenging it is for young people to move out on their own there exists good links between Corporate Parenting service and Waltham Forest Council Homes. You will be supported by your Leaving Care Coach to apply for your council accommodation 6 months before you turn 18 years of age. This will ensure that a smooth transition plan is in place between moving from your previous accommodation to your more long term accommodation.
- 8.3 If you are over 18 years you will become eligible to claim Housing Benefit if you are liable to pay rent.
- 8.4 If you are seeking employment and claiming job seeker's allowance or income support as a full-time student under 21 years of age or as a young mother, **you will be expected to claim housing benefit towards the cost of your rent.**
- 8.5 Whilst you are in semi-independent accommodation provided by the London Borough of Waltham Forest you are **expected** to claim housing benefit and contribute towards this when you are over 18 years of age. This also applies if you are in a Staying Put Arrangement in Foster Care.
- 8.6 Council tax- young people who are aged less than 18 years old are not liable to Pay Council Tax. They are also ignored if living in someone else's household, so will not affect the Council Tax Bill.
- 8.7 Once young people reach 18 years of age however they become liable to register for and pay council Tax if they have their own tenancy. This could also affect the discounts or benefits of the Council Tax Payer, where they are living in someone else's household.
- 8.8 **Council tax discounts** – there is a single person's Discount of 25 % if only one adult lives in the property, or if more than one adult lives in the property but all but one are “disregarded”. Students who are on a full-time or qualifying course of education do not have to pay Council Tax.
- 8.9 Some other young people are disregarded for Council tax purposes the list

below cover the main categories. People with these circumstances will not impact upon the Council tax where they are living in someone else's household. If they are living independently and are the only person in their household they will get a 50% reduction on their Council tax.

- 8.10 **Apprentices** – are not counted if employed to learn a job, and, as part of that learning, are undertaking training leading to a qualification recognized by the Qualification and Curriculum Authority (QCA). They must not be earning more than a set amount per week (before tax).
- 8.11 **Young people in training** - will not be counted if they are less than 25 years old and are receiving approved training funded by the Learning and Skills Council.
- 8.12 **Severely Mentally Impaired**- people who are severely mentally impaired are not counted for Council tax. A doctors certificate will be required as evidence and the person must also be entitled to disability benefits.
- 8.13 **People in Prison**- Prisoners who are on remand or in prison are not required to pay Council tax. However people who are imprisoned for not paying a fine or the council tax are required to do so.
- 8.14 **People staying in certain hostels or night shelters** are also exempt. A person whose main or only residence is in a dwelling such as a short stay hostel or night shelter providing communal accommodation for people who have no fixed abode or no settled way of life are not counted.
- 8.15 **Council tax benefits/localised support schemes**- each council is being put in charge of setting the Council tax rates, collecting payments and providing financial support to residents to pay Council tax. Each council is operating their own version of the localised support scheme and in most cases, working age adults on low income are no longer eligible for 100% Council tax rebate as existed under the previous Council Tax Benefit Scheme.
- 8.16 There are measures implemented where Waltham Forest will support Care leavers over 18 years to 25 years in paying council tax during this transition plan.

I'm working; do I have to pay rent?

- 8.17 If you are working you may be expected to pay a contribution towards your rent and accommodation costs if you are living semi-independently and in a Staying Put Arrangement. Your social worker or Leaving Care Coach will work out how much this may be.
- 8.18 If you are in your own tenancy you are expected to claim housing benefit as

it is likely you may be entitled to help with your rent and council tax depending on how much you earn.

8.19 **Benefit cap** – There is a limit on the total amount of benefits that most people age 16-64 can get. This is called Benefit Cap. If you live in a Greater London borough, the cap is;

- £442.31 per week if you're in a couple (whether your children live with you or not)
- £442.31 per week if you're single and your children live with you
- £296.35 per week if you're single and you don't have children, or your children don't live with you
- The benefit cap will not apply if you qualify for Working Tax Credit or get some other benefits. Discuss this with your Leaving Care Coach

8.20 **Universal Credit** - Universal credit is a new benefit system that is being 'rolled out' across the UK in stages. It replaces these benefits with one single monthly payment:

- The means tested part of jobseekers allowance
- The means tested part of employment and Support Allowance
- Income support
- Child tax credits
- Working tax credits
- Housing benefit
- Social Fund Budgeting Loans

8.21 **Short Term Benefits Advances** - is available to people claiming any contributory or means tested benefit. The claimant must have made a new claim and show that they are in financial need whilst waiting to receive their first payment; they can request a Short Term Benefits Advance payment from the Job Centre Plus contact Centre or an advisor in the Local Job Centre. These are administered by the Department for Work and Pension (DWP).

9 Accommodation Costs during Vacations

- 9.1 Official vacation rent during university and college vacation will be paid for by LBWF Corporate Parenting Services. This applies to all vacations within a course but not any time immediately preceding the first term or any other times within the official term dates when the student's attendance is not compulsory. The amount paid by LBFW Corporate Parenting Services will be for rental charges only, not for food or utility costs. Where the amount of rent that the young person is charged is more than the Local housing Allowance (LHA) rates for the area in which they are staying for the vacation. **The local housing Allowance rates are available on line at: <https://lha-direct.voa.gov.uk/search.aspx>**

Private Accommodation-Rent Deposits:

- 9.2 When you are moving into private rented accommodation we can assist you with one month's rent/one month's deposit. A request for this to be paid must be made to the CiC panel who will consider your request.
- 9.3 **Staying Put Arrangements:** where you are staying with your former foster carer after 18 then we can provide support under the Staying Put Policy. Accommodation costs will be in line with the staying put policy.

Care Leavers who have No Recourse to Public Funds:

- 9.4 If you are without leave to remain or access to public funds and/or any other immigration restrictions then we will provide you with support to meet costs associated with rent and council tax until your status has been determined and as long as you are eligible for public funds.
- 9.5 Should your immigration claim not be completed by your 21st birthday and you are not in Higher Education, you're financial and accommodation needs will be transferred to the National Asylum Support Service (NASS).
