Care together  
from anywhere!

Developed by Carers UK, Jointly is an innovative mobile and online app designed to support people looking after a loved one.

Waltham Forest Council is offering Jointly for free to carers in our area.

## Are you looking after someone? Jointly helps keep everyone in the loop

Because sharing care is easier when you do it *jointly*

**Jointly** makes sharing care with others easier, less stressful and a lot more organised:

- One central place to store and share the important information about the person you are looking after.

- Simple, intuitive group communication to keep everyone informed and better connected.

- Shared task lists and calendar to help co-ordinate responsibilities and organise what needs to be done.

- Works across different devices: smartphone, tablet or home computer / laptop.

- Available at [jointlyapp.com](http://jointlyapp.com) and through the Apple App Store and Google Play Store.

## How does Jointly work?

**Jointly** works with circles of care.

You can create a circle of care for the person you are looking after.

Once you have set up your **Jointly** circle you can start using **Jointly** to organise care.

Use it to invite other people to join you and share the care or use it on your own.

## How can I get Jointly?

**Jointly** is a paid for product, however, Waltham Forest Council is offering **Jointly** to you free of charge.

Use the voucher code provided below to get your free version of Jointly. You can redeem this voucher at [www.jointlyapp.com](http://www.jointlyapp.com).

Your code is:

**WALTHAM4975**

Please note that the code is case sensitive.

## How can I redeem a Jointly voucher?

You can only redeem a **Jointly** voucher online.

Visit [www.jointlyapp.com](http://www.jointlyapp.com). If you don't have an account with **Jointly** click [Sign up](#) and complete the form to create an account and then log in. If you already have a **Jointly** account, log in to your account.

On the right hand side menu find the [About you](#) section. Click the [Got a voucher code?](#) link, enter your code in the box that appears and click [Redeem](#). Once the code is redeemed you can start creating your circle by filling in some helpful information about the person you are looking after. You can always edit this information later from the [Profile](#).

Once you have created a **Jointly** circle for the person you are looking after you can invite others to join you and share the care. There is no additional cost for you or the people you invite to join you.

Alternatively you can use **Jointly** on your own to organise the care around someone.

## On which devices can I use Jointly?

You can access **Jointly** on the following devices (note that you can view information on **Jointly** offline but you will need to be online to make changes to **Jointly**):

- iPhone (iOS version 6.0 and above)
  - iPad (iOS version 6.0 and above)
  - Android devices (version 4 and above)
  - Most modern web browsers (home computers, laptops, smartphones, tablets, etc.)
- at [www.jointlyapp.com](http://www.jointlyapp.com)

Once you create a **Jointly** account you can use it to log in to the **Jointly** app on any device you choose.

Download the **Jointly** app on your iPhone, iPad, Android phone or tablet or visit [www.jointlyapp.com](http://www.jointlyapp.com) from any other tablet, mobile phone, laptop or home computer.

For more information about **Jointly**, including a video, frequently asked questions and a user's manual visit [www.jointlyapp.com](http://www.jointlyapp.com).
