Every effort will be made to keep to this draft timetable, but late changes may be unavoidable. Priority will be given to starting the debate on each matter at the appointed time, and it may be necessary to extend the discussion in the afternoon session. The Programme Officer will endeavour to inform the participants of any late changes to the timetable, but it is the responsibility of the participants to keep themselves up to date with the arrangements and programme. Participants need to be ready to attend the Reserve sessions indicated on the programme – these will be used, if necessary, to complete any unfinished sessions.

For any queries in relation to the examination please contact the Programme Officer:
