

In-Year Common Application Form for Admission to a Waltham Forest School (iCAF)

Guidance notes for those who are applying for a mid-year school place or who want to change schools

By law, children aged between 5 and 16 must receive an education. This means that if your child is not in a school you must apply for a school or tell the local authority what alternative arrangements you are making for their education.

If your child has a Statement of SEN or Education, Health and Care Plan (EHC Plan) and you want to ask for a school transfer, **do not complete this form**. You must contact the Waltham Forest SEND Service on 020 8496 6503/6505. They consider these applications separately from the process outlined below.

If you want to change schools

It is extremely important that a child has continuity in their education. For this reason, we strongly discourage unnecessary transfers between schools.

If your child is already attending a school, but you feel that a move would be in their best interests, you should discuss your reasons for this with your child's current school. It is important that you try to resolve any difficulties by working with the school, rather than requesting a transfer.

If you still want to go ahead with the transfer after this meeting, ask them to fill in and sign part B of the form.

Applying for a school place

Only those with parental responsibility can apply for a school place.

Please complete all questions in Part A of the application form. Failure to answer all questions and provide supporting proof of address, may delay the processing of your application and could result in the form being returned to you for completion.

Fill in part A of the application form. You can name up to 3 Waltham Forest schools. Please list all the schools in the order of preference you want to apply for. The admissions criteria for faith schools, academies, foundation and free schools may be different from community schools, and you may need to fill in other forms (Supplementary Information Forms). You can get these from the school and they must be returned to the school.

Once you have completed all sections in part A, you should ask the headteacher at the school your child is currently attending to fill in and sign part B of the form. If your child is not in school, then part B should be filled in by the headteacher at their most recent school.

The information we ask for in part B is important as it could help the Admissions Team decide if your child is eligible to be considered under our 'Fair Access Protocol'.

Providing the correct proof

You will need to supply documents that provide evidence of:

1. Your home address (for example a government produced letter* such as housing benefit, council tax or NHS letter or a recent utility bill or bank statement**, driving licence)
2. Your child's date of birth (for example a birth certificate)
3. Your child's home address which should be the same as your home address; you should submit an official document or letter with your child's name and address (for example a government produced letter* such as child benefit, child tax credit or housing benefit, an appointment letter with a professional (eg. doctor, dentist, hospital) or a bank statement in the child's name**).

If you have moved recently, please also provide evidence of a closing of council tax account from your previous address.

These examples are not an exhaustive list.

We reserve the right to request further evidence if required.

* Must be dated within the last 12 months

** Must be dated within the last 3 months

Guardianship

If a child is not living with their natural parents and you are looking after the child, please provide written evidence that you are the legal guardian and have parental responsibility for that child. Evidence includes a Will or court order or a statutory declaration.

Guardianship only applies if you can prove that you have full care of the child and their normal, permanent home is with you, Guardianship does not apply if you take the child to and from school or look after the child until their parents collect them.

Medical or social

Medical or social reasons can only be taken into account when information is provided with the application. Failure to provide such information at this stage may affect whether or not the child is allocated a place at the preferred school under this criterion.

Applications will only be considered under this category if they are supported by a written statement from a doctor, social worker, psychologist or other relevant independent professional. The information must confirm the exceptional medical or social reason, and demonstrate how the specified school is the only school that can meet the defined needs of the child.

Returning your application form

You can return the completed application form in one of the following ways:

Post: School Admission Service, Waltham Forest Town Hall, Forest Road, London E17 4JF

Email: admissions@walthamforest.gov.uk

What happens next?

Your completed application form with supporting evidence will be processed within 15 school days of receipt. We will inform you if we can offer a place at any of your preferred schools. If we cannot, we will offer a place at the nearest school with a vacancy. Once you have contacted the school they will make arrangements for your child to start within a few days.

If your child is out of school and does not take up the school place offered, your child's details will be referred to the Education Welfare Service.

Waiting lists

Your child will only be placed on a waiting list if you request it on the Reply Slip, received with your response letter.

Right of appeal

If we cannot offer your child a place at your preferred school you will be given the right to appeal against this decision.

You can only appeal once for each school within a school year. We may consider a second application and subsequent appeal if there has been a relevant and major change in your family's circumstances.

You must complete an appeal form. For details please go to our website:
www.walthamforest.gov.uk.

An appeal should be submitted within 21 school days of being informed that a place cannot be offered. Appeals are heard by an independent appeal panel.

- I confirm that I am the person with parental responsibility for the child named in part A and that the information I have given is correct. I understand that applications are only accepted from a person who is legally responsible for the child and that if the child lives with relatives and not their parents, documents providing legal guardianship must be submitted.
