Dear Andrea Copsey,

As a resident, who has lived in the area for 45years , I agree with the concerns raised in the letter from the Highams Park Planning Group dated 17th January 2023.

Also the plan does not taken into consideration the huge impact on local services, like schools places, GP services ( already on its knees, struggling to cope), social services, traffic congestion and pollution, the environment and the already unmet needs of the local residents. There have hardly been any creation of new jobs promised with the previous developments in the area.

For these reasons I think it's not good to let such poorly thought out development to be given permission.

Yours sincerely,

Hasmita Shah
