Dear Ms Copsey

My response to the Further Matters, Issues and Questions.

MATTER 6: BUILT ENVIRONMENT, HERITAGE, AND DESIGN -Tall Buildings

I find it very worrying that LBWF is choosing to classify "tall buildings" at 10 or more storeys.

For Building Regulations a tall building is 18m, or 6 storeys.

However I challenge any building development over the height of surrounding buildings and any "out of character" development at Chingford Mount.

Kind regards

Ian McGill
