Subject: Response to Waltham Forest Local Plan Shaping the Borough Examination

Dear Ms. Copsey,

As a resident of Highams Park since 1976 I view these proposals as scandalous as they will spoil Highams Park as a low rise community as I have known it. The proposed High Rise site allocations are inappropriate and over developed for the area. So I would like to put on record that I support the concerns raised in the letter from the Highams Park Planning Group dated 17th January 2023, and agree with the comments therein.

From
John Poulter
