Subject: Response to Waltham Forest Local Plan 'Shaping the Borough' Examination.

Dear Ms Copsey,

As a resident of the area for over 40 years I agree with the concerns raised in the letter from the Highams Park Planning Group dated 17th January 2023.

The Local Plan is the Boroughs own plan. The Borough Council has decided to build more than the required amount recommended by the Government with no regards to the pressures on local social services.

The council has designate areas and give suggested heights for the properties means developers will take that as requirements and it will be difficult to contest future planning applications.

Yours sincerely

John De'Ath
