Dear Ms Copsey

My response to the Further Matters, Issues and Questions.

MATTER 6: BUILT ENVIRONMENT, HERITAGE, AND DESIGN -Tall Buildings

I am extremely concerned that Waltham Forest Council is classifying "tall buildings" at 10 or more storeys despite Building Regulations stating that tall building should be 18m, or 6 storeys. I don't think any new buildings should be any higher than existing buildings on the same site and any new buildings should be in keeping with the local character and surroundings of the area.

Kind regards

Karen McGill
