Subject: Waltham Forest Local Plan (LP1) 'Shaping the Borough' Examination

Dear Ms Copsey,

I have read the letter from the Highams Park Planning Group dated 17th January 2023, and totally agree with the comments contained therein.

It is phrased better than I could have done but it says what I would give the chance.

I have lived in this area for more than 70 years and have seen a lot of changes, some for the better and some for the worse.

These proposals are definitely in the second category. They are totally out of character for the area and are most unwelcome.

If you would be interested in talking to me about this, I would be pleased to oblige.

Kind regards,

Mike Turpin.
