

Dear Andrea Copsey,

As a resident born in the area and recently moved from a block of flat, where we lived in the sixth floor, I wholeheartedly agree with the concerns raised in the letter from the Highams Park Planning Group dated 17th January 2023.

We moved back to the area to raise our family and have more space. These flats are not fit for purpose for the area, with people moving to the area for space and the height is not in keeping with the surrounding area.

It is apparent that the Local Plan is the Boroughs own plan and have decided to build over the required amount recommended by the Government.

Regards
