Dear Andrea

Theresa Gray  
[REDACTED]

As a resident of Highams Park since my birth in 1960.  
I agree with the concerns raised in the letter from the Highams Park Planning Group dated 17th January 2023.

I have great concerns over the amount and type of building proposed and the impact it will have on my children and Grandchildren all of who live in Highams Park.

I feel there has been no consideration of infrastructure such as schools and doctors.

I also believe that these plans are above the government guidelines while I see that there is a need for housing, I fear that these places may become slums in the future.

Kind Regards  
Theresa Gray
