“map tile” means an individual map with a specific tile reference, being part of the map based schedule attached to this Order;

¹ 1984 c.27

Provided that the Council does not accept responsibility for any inaccuracies contained in the Ordnance Survey data relied upon to create the map based schedule and where a parking place, loading place or length of waiting, loading or stopping restrictions is depicted in the map based schedule, that parking place, loading place or length of waiting, loading or stopping restrictions will continue to apply irrespective of any subsequent changes that have been made to the underlying Ordnance Survey data.
