

LONDON BOROUGH OF WALTHAM FOREST

**CHURCH LANE E11 – PUBLIC REALM SCHEME - AMENDMENTS TO EXISTING
LOADING PLACES AND PARKING PLACES**

(Note: This notice is about changes to the existing loading places and parking places in Church Lane E11 and High Road Leytonstone E11, in conjunction with a Public Realm Scheme in Church Lane E11) (T37(23))

The Waltham Forest (Charged-For Parking Places) (Amendment No. *) Order 2023
The Waltham Forest (Free Parking Places, Loading Places and Waiting, Loading and Stopping Restrictions) (Amendment No. *) Order 2023

STATEMENT OF REASONS

This proposal is in direct response to the council's climate and air quality targets as well as feedback from local businesses.

Following on from the temporary measures introduced towards the end of the pandemic it is proposed to further realign the available space to facilitate people choosing more active modes of transport, increase biodiversity and carbon sequestration.

By consolidating the loading bays increasing the amount of available parking and relocating the disabled bay to where it is most needed this proposal will enhance the space for pedestrians whilst minimising the overall impact on other road users.
