**STATEMENT OF REASONS**

As part of the TFL bus priority measures we are investing in Hoe Street to transform the area, encouraging more people to walk and cycle as well as reducing congestion.

The Bus Priority scheme aims to:

Encourage more residents and visitors to walk and cycle with larger footways and Improve the look, feel and road safety of the area for all road users including those using public transport

Improve access across the borough including access to local amenities and services between areas in the borough and local amenities

To reduce the traffic speeds in the area making it safe and enjoyable for all

Reduce congestion and journey times for public transport as well as all other vehicles. Improve the air quality within Walthamstow.

Waiting and loading in the area will be relocated to the adjacent side road with increased operational times.
