2. The general effect of the Orders will be, following the introduction of permit parking on housing estate roads and public highway in Priory Court E17, to convert 3 metres of permit holder parking space to allow for the provision of a secure bicycle parking structure (“unit”) on the highway under section 63 of the Road Traffic Act 1984. The parking space being displaced will default to “at any time” waiting restrictions where the cycle hangar will be provided. 1 unit will be installed on Priory Court in the south end of the permit holder parking bay opposite no. 4 Priory Court.
3. The general effect of the Orders will be, following the introduction of permit parking on off street areas of Priory Court E17 to provide and regulate:
 - (a) 6 additional off street ‘H-PRC’ permit holder parking bays on Priory Court E17 outside of nos. 19 to 23 Priory Court and 2 additional off street ‘H-PRC’ permit holder parking bays on Sherwood Close E17 at the back of nos. 19 to 23 Priory Court. The parking spaces will be available to ‘H-PRC’ resident permit holders, carers permit holders, visitor permit holders, business permit holders, tradesperson permit holders, essential user permit holders and essential user pool permit holders and would operate between 8.00 a.m. and 6.30 p.m. on Mondays to Saturdays; and

4. The general effect of the Orders will be, following the introduction of permit parking on public highway and housing estate land in Priory Court E17, to enable the following additional addresses to be eligible to purchase ‘H-PRC’ resident permits, carers permits, visitors permits, business permits, tradesperson permits, essential user permits and essential user pool permits (excluding any car free property*) and ‘H-PRC’ visitor permits:
 - (a) 19 Priory Court, E17;

5. The above measures are necessary to ensure that parking and waiting facilities are maintained for the use of eligible residents of the estate, their visitors, and other permit holders agreed by the Council. These measures will also prevent parking and waiting where it could cause an obstruction, particularly to emergency services and refuse collection vehicles.
6. ‘H-PRC’ residents and business permits will be charged on a basis of CO2 emissions (or, for older vehicles, engine size) and number of vehicles registered to a household. Residents’ visitor permits are obtainable as paperless permits or as scratch-cards.
