Any person may object to the making of the permanent Order for the purpose of such indefinite continuation within a period of six months beginning with the day on which the experimental Order comes into force or, if the Order is varied by another Order or modified pursuant to section 10(2) of the 1984 Act, beginning with the day on which the variation or modification or the latest variation or modification came into force. Any such objection must be made in writing and must state the grounds on which it is made and be sent to: Traffic Orders, Highways, Low Hall, Argall Avenue, London, E10 7AS, or by emailing: traffic.scheme@walthamforest.gov.uk quoting reference **T5(24) – 60 Larkshall Road development**. Any objection may be communicated to, or be seen by, other persons who may be affected.

If any person wishes to question the validity of the Order or of any of their provisions on the grounds that they are not within the powers conferred by the Road Traffic Regulation Act 1984, or that any requirement of that Act or any instrument made under that Act has not been complied with, that person may, within 6 weeks from the date on which the Order is made, apply for the purpose to the High Court.
