

Jack's Farm (JF) Permit Parking Review

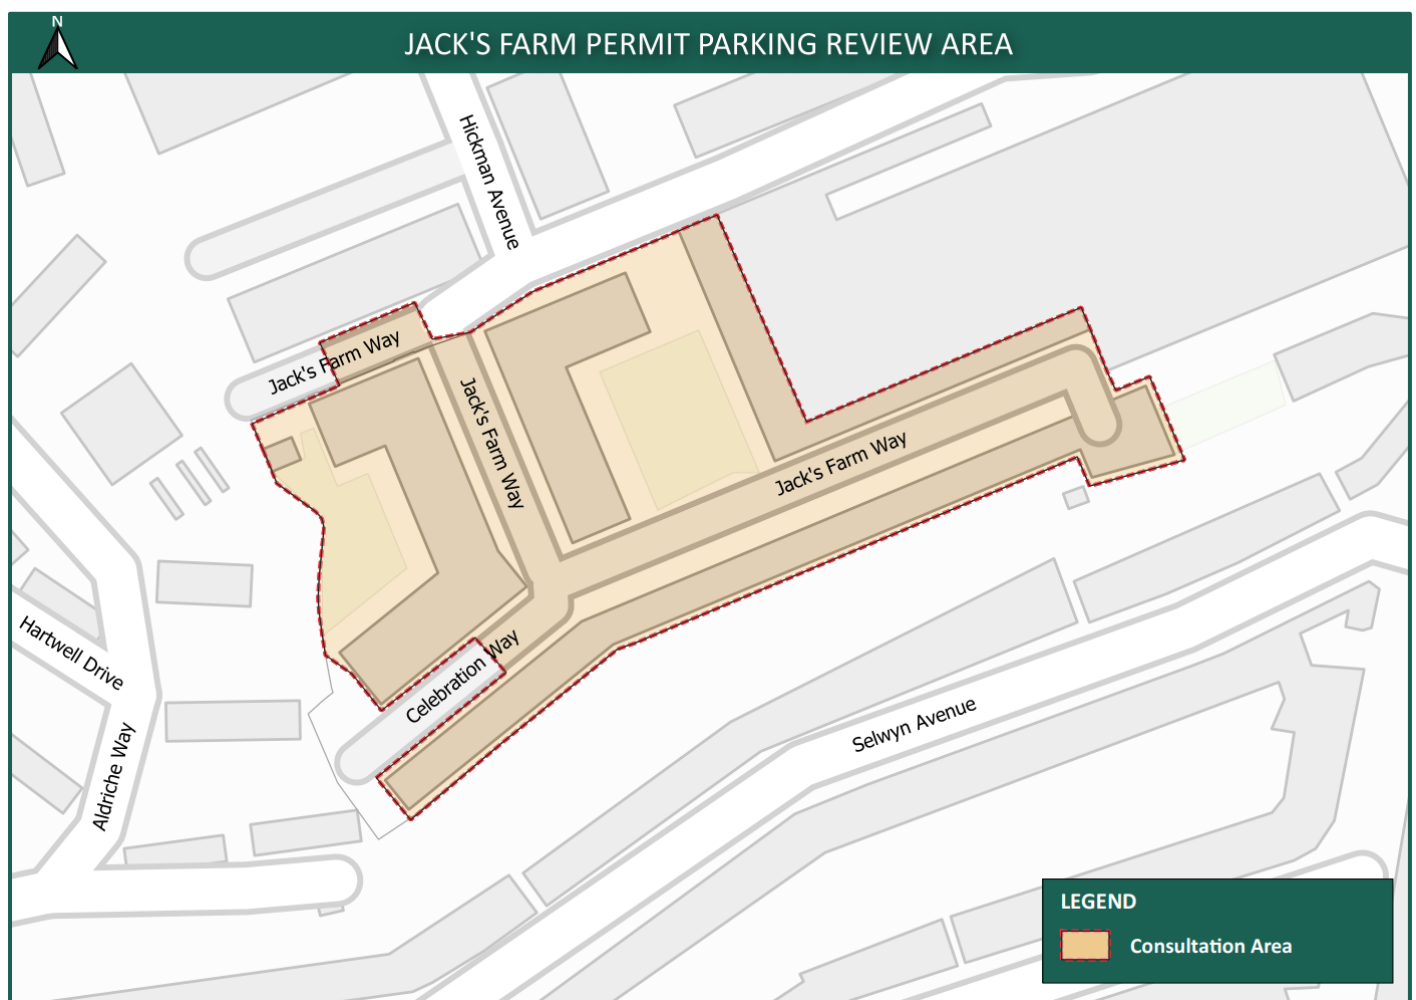

We're proposing changes to parking on your road

Dear Resident, Business or Occupier,

The Jack's Farm (JF) Restricted Parking Zone (RPZ) currently operates in Jack's Farm Way and Celebration Way from Monday to Saturday, 9am to 5pm. These hours were established when the RPZ was initially introduced in 2014. A review of the existing parking zone is being carried out in response to requests received from residents to extend the timings due to insufficient parking availability outside the operational hours.

We want you to tell us what you think about the operational days or hours, and if there are any other adjustments that could be made to improve parking in your area. The proposed operational days and hours are reflective of the recent residents' requests.

A map of the area under review is shown below.

Local people know their neighbourhood best and we're asking everyone living or working in your neighbourhood to tell us what they think about these changes. The decision on whether the current CPZ operational days and hours will be changed will be made wholly based on the results of this consultation.

To express your views, please complete the attached questionnaire at the end of this document and return it in the prepaid envelope provided to reach us before **14 June 2024**. Alternatively, you can send a digital copy of the completed questionnaire to cpz.schemes@walthamforest.gov.uk. Please note only one response per household is accepted.

Due to the high volume of responses, we will not be able to provide an individual response to each survey, but will notify you if any changes are made.

If you have any questions about this consultation, please email cpz.schemes@walthamforest.gov.uk.

Or alternatively, write to:
