- If this is the first time you are using the eAdmissions website you must register to apply online.
- You will need an email address to register.
- If you already have an email address you should set your spam/junk mail filter to 'Standard' so that emails from eAdmissions go straight to your inbox. **You should check your spam/junk email folder now and then to make sure that messages from the eAdmissions website are not sent there by mistake.**

- You can opt to receive push notifications during the admissions process from an android phone or if you have an Apple device you can sign up to get notifications by downloading the 'ParentComms' mobile App.

- The next page is your home page called 'Your home page' Click 'Start application' button.
- Enter the details requested about the child you are making the application for on the 'Child details' page and select the 'Save and continue' button.

Please remember

Council tax account number: Some local authorities will ask you to provide this information for the address

where your child lives. For more information use the  icon.

Child's current school: Please select the school from the drop down list. Only type the name of the school in the box if your child is at a nursery school or you cannot see the current school name listed.

- **Twins or triplets:** If you have twins or triplets you must make an application for each child and tick the multiple birth box.

Step 5: Adding school preferences

- Add your preferences in the order you prefer them. **You can select up to six schools** (if you live in Surrey you can only select four preferences for Reception. Preferences for junior applications will vary, so please check with your Local Authority).
- Make sure you include the details of any brothers or sisters who will be attending one of the schools or linked schools you have applied for. If you do not tell us you may lose out on a place allocated under the sibling criterion.
- Please be aware that not all schools have a medical or social criterion, please check before selecting your schools.
- If the schools you have selected allow medical or social criteria and you would like your child to be considered under this criterion you must tick the relevant box and attach supporting evidence. You can attach documents once you have submitted your application.

Important information

- **If you do not provide the evidence to support your application, your request cannot be considered under that criterion.**
- Some schools ask you to fill in extra forms called supplementary information forms (SIF). If you do not fill in these forms and/or send them direct to the relevant school, you risk your chance of getting a place at these schools.
- It is your responsibility to check that your online application is fully completed and that you have entered all details correctly. If you do not tick certain boxes or enter relevant information (for example sibling box) your application will not be considered under that criterion.
- Each time you fill in the information on a page, make sure that you select 'Continue'. Select  to add further schools to your application. When you have finished adding schools to your application then 

Step 6: Submitting your application

- Select the 'Submit application' button on the last page.
- After you have submitted your application you will receive an email confirming details of your online application. The email will list an application reference number similar to this: 123-2025-09-E-123456.
- If you do not receive a number it means your application was not submitted successfully and

you must login and select the 'Submit application' button again.

Editing/changing your application

- You can edit and make changes to your online application until the closing date, but for your most recent changes to be recorded you will need to  your application.
- Always keep your details and your child's details up to date on the website. You can do this on 'Your home page'.

Step 7: Attaching supporting evidence

Many local authorities need you to send them evidence to support your application. You can find out what each local authority needs by reading their information booklet about applying for school places or the  section, for example:

- Confirmation of your child's address and their date of birth.
 - Evidence to support your application such as doctor's letters if you have applied under the medical criterion.
 - Evidence to confirm your child was looked after or previously looked after.
 - Evidence to confirm that you are a crown servant.
- If you have ticked any of the categories above and do not provide evidence to show this, your local authority is unlikely to take this into account when making allocations.**

What happens next?

- If you submitted your application by the closing date you will be sent the outcome of your application during the evening of the published national offer day.
- You should respond within 14 days. There are 2 ways to do this:
