LONDON BOROUGH OF WALTHAM FOREST (LBWF)
EXPERIMENTAL EXTENSION OF HALE END (HE) CONTROLLED PARKING ZONE (CPZ) ROADS BETWEEN TREVOSE ROAD AND THE A406, E17 ROADS (ET11a(25)) AND CONVERSION OF ROADS FROM EXISTING CPZ INTO NEWLY FORMED CPZ : LEYTONSTONE EAST (LSE) CPZ ROADS TO LEYTONSTONE CENTRAL (LC) CPZ, E11 ROADS (ET11b(25))

The Waltham Forest (Parking Places, Loading Places and Waiting, Loading and Stopping Restrictions) (Amendment No. 7) Order 2025 (HE)
and The Waltham Forest (Parking Places, Loading Places and Waiting, Loading and Stopping Restrictions) (Amendment No. 8) Order 2025

STATEMENT OF REASONS

To provide adequate on street parking facilities for residents, visitors, business' and essential users, to manage inter-zonal commuting and event parking in certain streets the Council has considered it necessary to introduce the above Orders to move certain roads from the LSE CPZ into the new LC CPZ and to expand the HE CPZ into 4 additional roads.

In proposing to make these orders consideration has been given to securing expeditious, convenient and safe movement of vehicular and other traffic and the provision of suitable and adequate parking facilities on the highway.

The Orders are being introduced on experimental basis in order to assess their effectiveness and in certain circumstances, change quickly should it be deemed necessary.

In due course the Council intends to consider making permanent Orders which would continue in force indefinitely the provisions of the experimental Orders.
