

HIGHAMS PARK PLAN

Annex 1

ASPIRATIONS, PROJECTS & ACTIONS

HP Plan Annex 1 - Aspirations, Projects & Actions

Referendum Version – 10th October 2019

1 INTRODUCTION

At HPPG's Launch Event in November 2013 and in subsequent consultations and discussions a lot of aspirations and ideas were collected from local residents. Members of HPPG's topic working groups collated these ideas and drew up a list of recommendations and projects. Whilst these recommendations and projects do not form part of the policies of the Plan, they are deemed to play an important and significant part in the delivery of the Plan. These aspirations should guide the Council, developers and other relevant agencies as to how the community wants development to contribute and assist in shaping the Area.

What do we mean by recommendations and projects?

By recommendations: we mean methodologies and mechanisms through which developers, the Council and other bodies can work with the local community in meeting the local community's aspirations for the Area.

By projects: we mean aspirations that have tangible deliverables, such as a bridge with lifts at Higham Park Station, which may be more easily delivered with assistance from developer contributions.

HP Plan Annex 1 - Aspirations, Projects & Actions

Referendum Version – 10th October 2019

1 RECOMMENDATIONS

Below follows a list of recommendations which the Highams Park Neighbourhood Forum (HPPG) has prepared to provide guidance in delivery of the objectives and policies contained within the Plan.

RECOMMENDATIONS: in support of Policy GNE1 the following actions are proposed:

- i. Local residents should be encouraged to be involved in the management of existing and new green spaces through friends groups.
- ii. Regeneration of The Highams Park and/or Mallinson Wood should provide parking for visitors in front of the Mallinson Scout centre if possible.
- iii. Contributions to support the maintenance and replenishment of public realm green landscaping, trees, shrubs and flower beds and flower baskets on the railings in the Station car park (apart from where flowers may obscure drivers sight lines).

RECOMMENDATIONS: in support of Policies BED1, BED2 & BED3 the following actions are proposed:

- i. The drawing up of a 'HPDC Action Plan' to give focus to and revitalise the District Centre.
- ii. Improvements to pavements and the removal of street clutter.
- iii. Improved signage to attract people to HPDC.
- iv. Establishment of a traders association – to get local traders to work together to revitalise the Area.
- v. Request the Council to reduce business rates and/or give rates holidays to new businesses in the HPDC.
- vi. Landlords should be encouraged to levy rents that will attract and retain a diverse range of shops, workshops and start-up businesses.
- vii. Pop-up shops to be encouraged in vacant units.

RECOMMENDATIONS: in support of Policies TRP1 the following actions are proposed:

The transport infrastructure of the Area could be improved by:

- i. A direct rail link to Stratford by reinstating the Hall Farm Curve, linking the Liverpool Street – Chingford line with the Lea Valley line, in addition to maintaining existing services to Liverpool Street. It is appreciated that there are mixed feelings amongst residents in the Area and that a petition was

HP Plan Annex 1 - Aspirations, Projects & Actions

Referendum Version – 10th October 2019

recently rejected by the Mayor of London. However, given the proposed lifetime of the Plan, the feasibility of this proposal should be reconsidered no later than 2022.

- ii. Construction of an additional station at Chingford Hatch: adjacent to the site of the old level crossing at western end of Hatch Lane to relieve traffic and parking congestion in the Area.
- iii. Additional works to those currently planned for the refurbishment of Highams Park station, such as:
 - installing lifts on both sides of the station with an interconnecting walkway for transfer between platforms.
 - installation of a pumped drainage system in the subway.
 - decorated fascia panels on the subway walls to improve the aesthetics.
- iv. A review of bus stops and routes in the Area to ensure they are not restricting pedestrian traffic movements and improve access to areas other than towards Central London to assist in reducing car use.
- v. Increased efforts to encouraging walking and cycling to school instead of car use.
- vi. Other measures that should also be taken to improve cycling within the Area:
 - Improving signage.
 - More secure cycle parking at the station and the Tesco store, to promote a culture of cycle and ride.
 - Promoting cycling at schools.
 - The extension of the London bicycle hire scheme to cover the Area.
 - Additional & improved cycling parking facilities at buildings providing amenities to the public.
- vii. Where a development is “car-free” or residents are to be ineligible for Residents’ Parking permits, all marketing material for the first sale of homes to occupants and any purchase agreement or rental contract should make prominent reference to this. Copies of such documents should be submitted to the Planning Authority for their approval, prior to the commencement of marketing activities.

RECOMMENDATIONS: In Support of Policy CDP1 - the following actions are proposed:

In the event that there is a consultation on and revision of the LBWF Local Plan that consideration is paid to:

HP Plan Annex 1 - Aspirations, Projects & Actions

Referendum Version – 10th October 2019

- i. New Conservation Areas or areas in need of protection where residents request them and a clear justification of character and support for review can be justified. Such consultations should be open to all those living or working in the Highams Park Plan Area.
- ii. A review of the Area to identify other properties that should be either listed or locally listed.

RECOMMENDATIONS: in support of Policies CPD1 & CDP2 the following actions are proposed:

- i. The removal of clutter and obstructions from pavements and footpaths in the Area.
- ii. Improved provision for residential refuse in HPDC.
- iii. Make pedestrian movement safer and easier, particularly the crossing points on Larkshall Road, The Avenue, the Broadway and Hale End Road.
- iv. The development of a comprehensive pedestrian signage scheme to guide visitors in and around the Area.
- v. Introduction of pavement parking in additional streets in the Area where residents request them.
- vi. Improve enforcement to prevent cyclists riding on pavements.
- viii. **Pathways:** a number of paths in the Area provide important pedestrian routes. These are:
 - 1. Behind the shops between Handsworth Avenue and The Avenue.
 - 2. Mill Lane (Woodford).
 - 3. Under Wadham Bridge.
 - 4. Brookfield Path Area.
 - 5. The Ching Path by Winchester Road.
 - 6. The Ching Path by Wadham Open Spaces (behind the Peter May Centre).
 - 7. The other unmetalled and overgrown paths on the banks of the Ching.
 - 8. Abbots Crescent to the Bramblings.These routes should be well maintained, well lit, safe and secure - including, where appropriate, the use of CCTV cameras. Where possible, they should also be opened up and widened due to concerns about safety.
- vii. A review by Council officers of what public access and rights of way have been compromised in recent years and take whatever action is necessary to restore the rights of way.

HP Plan Annex 1 - Aspirations, Projects & Actions

Referendum Version – 10th October 2019

RECOMMENDATIONS: As guidance for new development the following actions are proposed:

- i. That, in accordance with the Localism Act, developers positively and proactively engage with the community (pre-application) as plans are brought forward for development, as plans are submitted, and as development takes place and that the Local Planning Authority should consider a failure to do so a reason to refuse to validate an application.
- ii. That all developments of five units or more units shall have - as a condition of their approval - the mandatory formation of a consultation group with local residents and groups, to discuss the development between planning approval and completion.
- iii. That all large developments include - as a condition of their approval - a commitment from the developer to market new homes through local agents in the first instance.
- iv. Potential purchasers of new developments should be notified of local opinion and reviews that arose during the planning process of the impact of the development on the Area.

RECOMMENDATIONS: In support of Policy DCO1 Planning Agreements for Developer Contributions:

Excluding such information that is deemed to be commercially sensitive.

- i. Draft agreements should be published with all relevant planning applications.
- ii. The Council should have a duty to consult with local residents and groups on the content of any draft agreement.
- iii. The contents of any draft agreement should be fully explained and discussed at the relevant planning committee meeting.
- iv. The final text of an agreement should be published on the Council website as soon as possible after approval is given to an application. This should include a clear breakdown of which payments will be made to whom and at what time.
- v. The final text of the agreement should be regularly updated when money is spent.

HP Plan Annex 1 - Aspirations, Projects & Actions

Referendum Version – 10th October 2019

2 PROJECTS

The list below indicates the schemes and projects which should be given priority for the spending of developer contributions (both CIL and S106) in the Area.

Table 1. HPPG Plan Projects

Public Realm Projects	Description	Action
<p>Improvements to Highams Park District Centre.</p>	<ul style="list-style-type: none"> • Establish shopfronts policy and guidelines. Obtain funding for renovation of shopfronts and streetscape. • Run "buy it small and local" campaign. • Hold events in Highams Park Shopping Centre to draw people back into the area. • Form a traders association. 	<p>Work with council officers and local businesses. Identify funding sources and apply for grants. Implement the Council's shop design guidance as compulsory in Highams Park Plan Area.</p>
<p>Improve appearance and facilities at Highams Park Station (in addition to those works already being undertaken by the operator).</p>	<ul style="list-style-type: none"> • New stairs with lifts between north and south bound platforms. • Due to the closure of the subway exit, provision of a new third single level exit into Larkshall Road by the railway crossing. • Better refreshment facilities. • Toilets. • Improve station underpass (panelling and mosaic) and pumped drainage system to prevent periodic flooding. • Cycle sheds. Provision of community space, creating a HP central public square and fitting context in front of Highams Park station. (see Fig. 1 below). With consideration to the concept of "shared space" to improve 	<p>Meet with Operating companies. Try to get a grant from Department of Transport's fund "access for all". Allocation of CIL and S106 monies.</p>

HP Plan Annex 1 - Aspirations, Projects & Actions

Referendum Version – 10th October 2019

	interaction between pedestrians and vehicles.	
Improve appearance of Public Realm in HPDC.	Identify and remove street clutter: removal of unused phone booths, relay boxes, etc and confusing signage.	Liaise with LBWF and TFL as necessary.
Signage.	Develop clearer and more attractive signage in and around Highams Park: including clearer direction regarding the free 3 hour parking at Tesco to the parking at Tesco and the Car Club collection point(s). Remove redundant or unnecessary signs. Map at HP Station showing Hale End Library, Highams Park Lake, Epping Forest and Larks Wood, etc.	Liaise with LBWF officers and TFL.
Greenspace Projects	Description	Action
Nature trails and footpaths through Epping Forest – revive some historic names such as Great & Lower Sale Wood.	Add new nature trails, upgrade any in poor condition- to engage people with the value of the space. Make sure that Highams Park is integrated with recognised national/regional walk systems. Improve signage and consider nature trail app for smart phones.	Liaise with City of London Corporation and Ramblers' Association.
Improve access to the River Ching.	Help create natural corridors and quiet routes by improving access to the Ching Path throughout Highams Park where possible.	Liaise with LBWF, Environment Agency and CoL.
Widen Community use of Boathouse at the Lake.	Explore increasing access to water based activities using the Boathouse as a base.	Liaise with City Corporation and local scouts to share usage.
Improve environment and biodiversity in and around Highams Park Lake.	Agree and implement a nature conservation programme. In process already.	Work with City Corporation to establish group of volunteers. Raise funding.
Regeneration project for Highams Park Lake & Park and Mallinson Wood.	Look at ways to enhance the heritage and community use of the remnants of the Highams Estate.	Liaise with LBWF, CoL, Mallinson Trust and Heritage Lottery.

HP Plan Annex 1 - Aspirations, Projects & Actions

Referendum Version – 10th October 2019

Refurbishment of Sports facilities.	Jubilee Sports Ground & Rolls Park disused tennis courts (ex West Essex) and others.	Liaise with Council Officers.
Adoption of flower beds and green spaces in the public realm by local residents.	Residents have expressed concerns that some of the flowerbeds in the public realm look neglected. Council Officers actively encourage local residents to adopt and manage green spaces near where they live. Abbots Crescent is a good example locally where residents have adopted and improved a public greenspace.	Raise awareness with local residents of the support Council Officers can provide. Liaise with Council Officers and assist residents with ward forum funding applications for such projects.
Cultural & Social Projects	Description	Action
Art Gallery/Permanent multi-function arts centre.	Space for exhibitions, talks, demonstrations, classes and workshops.	Identify potential sites and seek funding.
Picnic/Concerts in The Highams Park.	Organise events in and around the Highams Park Area to enhance the feeling of community cohesion.	Work with local community groups, Friends Groups, Council and other bodies.
Heritage Projects	Description	Action
Highams Park War Memorial.	A memorial to commemorate all those that fought in all wars from this part of Waltham Forest, both civilian and armed forces.	Liaise with LBWF Conservation Officer. Possible location - Highams Park Station.
Add additional properties to the LBWF list of “Locally Listed” properties Listing.	Look into obtaining listing of certain local buildings. Grade III, or local listings.	Undertake review to inform next LBWF Local Plan. Liaise with LBWF. Conservation Officer
Heritage trail	Creation of a walk around heritage points in Highams Park such as the Gipsy Smith	Liaise with LBWF

HP Plan Annex 1 - Aspirations, Projects & Actions

Referendum Version – 10th October 2019

	memorial near the Waterworks roundabout and other heritage plaques and points of interest in the Highams Park Plan Area.	Conservation Officer.
Restoration of Organ at All Saints Church.	Historic and locally made Rutt Organ is in need of repair.	Apply to the Heritage Lottery Fund. Arrange fund raising concerts and events.
