

Discretionary Housing Payment

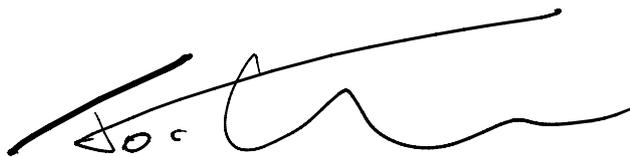

&

Discretionary Council Tax Hardship Scheme

2020/2021

Approved by: J Turnbull (Director of Finance)

Signed

Date :

13th August 2020

The Discretionary Council Tax Hardship Scheme (DCTHS) and Discretionary Housing Payment (DHP) are two of the three discretionary funds operated by the Revenues and Benefits service, the other being Local Welfare Assistance (LWA).

The council recognises that many people who may be entitled to assistance under one of these schemes may also be entitled to assistance under one or both of the others. It will integrate the three schemes where it is appropriate and practical to do so although applicants will be required to make a separate application for a LWA award.

Both schemes are discretionary, meaning that there is no statutory right to payment.

The DCTHS scheme is funded entirely by the Council with the DHP scheme being mainly funded by the Department for Work and Pensions (DWP).

Exercise of Discretion

Each case will be decided on its merits but will be subject to the limits faced by the authority in terms of expenditure and statutory restrictions.

In exceptional cases the Council may make decisions which fall outside the provisions of this policy.

The Council will, in all cases, endeavour to ensure that all members of the community are able to access assistance offered by this scheme regardless of race, gender, age, religion or belief, sexual orientation, marital or civil partnership status and/or disability.

It will ensure that the decision making process is fair and that no person is disadvantaged by virtue of their membership of one or more of the groups listed in the above paragraph.

Legislation

The following legislation is relevant to both schemes

The Universal Credit Regulations 2013

The Local Government Finance Act 2012

Welfare Reform Act 2012

Child Poverty Act 2010

Equality Act 2010

Housing Act 1996

Armed Forces Covenant

Social Security Act 1992

Fraud Act 2000

Anti-fraud statement

Both schemes are discretionary and are subject to significant financial constraints.

The making of a false declaration with a view to obtaining or increasing an award may amount to a criminal offence under the Fraud Act 2000. Where the council suspects that an offence may have been committed, the matter will be investigated and appropriate action taken including the initiation of criminal proceedings.

No award of any type will be made if an applicant knowingly makes a false statement in order to obtain or increase an award under the provisions of these schemes.

Part 2 Provisions Specific to DHP

A DHP is a payment made from a cash-limited discretionary fund to help applicants who require ‘further financial assistance’ towards housing costs. To be eligible a person must be in receipt of either;

- Housing Benefit (HB) or
- Universal Credit (UC) including a housing costs element.

Meaning of Further Financial Assistance

The phrase ‘further financial assistance’ is not defined in law and is left for the authority to determine. For the purpose of this policy it means a need for a payment where;

- there is a shortfall between HB or UC (housing costs) and the contractual rent and the person either
 - i is unable to meet their housing costs from their available resources or,
 - ii needs a 1-off payment to either secure an existing tenancy or enter into another, more appropriate, tenancy

Purpose of the scheme

The primary purpose of this scheme is to prevent homelessness by; helping Waltham Forest residents who cannot afford to meet their housing costs by reducing the impact of certain changes to the housing benefit and universal credit regulations on those who have been affected by:

- The overall benefit cap
- The limitation on the number of bedrooms occupied by tenants housed in both the social and private sectors
- The freezing of Local Housing Allowance rates
- The introduction of the 2-child limit

assisting people with the costs of moving to more affordable accommodation or, where such a move is not viable, assisting them in retaining their current accommodation.

providing help and support people who wish to work and/or study with a view to improving their financial situation
 providing short term assistance to people who are unable to meet their housing costs as a result of financial hardship or exceptional circumstances such as having been exposed to or contracting a notifiable disease.
 assisting people in retaining their tenancies when they are in a situation where it is unreasonable to expect them to move

Essential criteria for a DHP

Before making a payment the authority must be satisfied that there is;
 A valid claim for DHP and
 The applicant is in receipt of Housing Benefit (HB) or Universal Credit (Housing Costs element) (UC/HC) and
 There is a shortfall between the HB/UC award and housing costs

Meaning of Housing Costs

In general, 'housing costs' usually refers to rental liability, although the term can be interpreted more widely to include:
 rent in advance;
 deposits; and
 other lump sum costs associated with a housing need such as removal costs.
 the shortfall between HB/UC and contractual rental liability
 Agency fees which are not prohibited under the provisions of the Tenant Fees Act 2019 if the Council is satisfied that:
 a they were genuinely incurred and,
 b A failure to meet them would lead to the applicant or a member of the applicant's family either suffering financial hardship or becoming homeless
 In the event that the service becomes aware of such a charge being levied which it believes may be unlawful it will advise the authority's Housing Advice Team who will decide what, if any, further information is required..

Expenditure

The Council has budgeted to spend a maximum of £1370570 in the year 2020-2021.

Claims for DHP

A claim may be made up to 13 weeks in advance of an anticipated need for DHP arising and should be made by the person who is, or will be claiming, claiming HB or UC. An application may be accepted from a person acting upon that person's behalf if the council is satisfied it is reasonable to do so.

What a DHP can cover

On-going shortfall including but not limited to;

reductions in HB or UC where the benefit cap has been applied;

Waltham Forest Housing Benefits DHP/DCTHS Policy			
	Issue No: 5		Page 7

reductions in HB or UC due to the maximum rent (social sector) size criteria;
 reductions in HB or UC as a result of LHA restrictions;
 rent officer restrictions such as local reference rent or shared accommodation rate;
 non-dependant deductions in HB, or housing cost contributions in UC;
 rent shortfalls to prevent a household becoming homeless
 income taper reduction; and
 any other legislative change that limits the amount of HB/UC housing costs payable, for example the removal of the family premium.

Rent deposits and rent in advance

A DHP can be awarded for a rent deposit or rent in advance for a property in or outside the borough if the applicant is already entitled to HB or UC at their present home. When awarding a DHP for a rent deposit or rent in advance, the authority must be satisfied that:

- the property is affordable for the tenant; and
- the tenant has a valid reason to move; and
- the deposit or rent in advance is reasonable

The authority will also consider whether the applicant;

- is due to have a deposit or rent in advance in respect of their existing tenancy returned to them, and whether that deposit can be secured against the new tenancy in time or
- has received assistance towards a rent deposit, for example, a rent deposit guarantee scheme or similar.

Obligations

Before agreeing to make such an award the authority may request that;

The applicant sign a declaration agreeing to move in, and in the event this obligation will not be fulfilled, notify the authority immediately. Failure to do so may result in overpaid DHP which will be recovered from the applicant.

The landlord protects any deposit paid in a Government approved tenancy deposit protection scheme. Further information can be found at:

<https://www.gov.uk/tenancy-deposit-protection/overview>

If it requests so at the time the award is made, the authority is granted title to any refunded deposit on termination of the tenancy.

DHPs on multiple homes

The authority may consider a DHP in respect of two homes if

- The applicant is fleeing domestic violence or
- an applicant is temporarily absent from their main home and it considers there is good reason for that absence e.g to stay near a child receiving

treatment in hospital or
 The applicant has an unavoidable rental liability on more than one
 property

Backdating

An award of DHP may be backdated subject to the following restrictions;

No award can be made for a date earlier than 2 July 2001 and

No award can be made in respect of a period when neither HB nor a relevant award of UC was in payment.

No award can be made if there is no shortfall between the HB/UC amount and contractual rent for the period of backdating.

An award may be backdated if it is reasonable to do so and;

The applicant is facing action for rent arrears which may lead to eviction or

The existence of rent arrears are preventing the applicant from taking some form of action to reduce his rental liability such as bidding for more affordable accommodation

There has been a change in the applicant's circumstances which prevents him from being able to maintain an existing arrangement to clear rent arrears or

There are some other exceptional circumstances in existence which warrant a retrospective award being made

When making a decision about backdating, regard shall be given to the Court of Appeal's decision in R v. LB Lambeth, ex parte Gargett which sets out that any HB already paid towards 'housing costs' must be deducted when calculating the amount of a DHP to avoid duplicate provision.

Circumstances where a DHP may be refused

A DHP may be refused in the following circumstances;

The applicant has entered into an unaffordable tenancy recklessly

The applicant has received a recoverable overpayment of DHP and has failed to take reasonable measures to repay it. For the avoidance of doubt, reasonable measures may include making no repayment if it is unaffordable.

The applicant has failed to comply with a DHP information/evidence request within the permitted timescale.

An award would be so high that the authority believes it would unreasonably impact on its ability to make awards to other applicants unless a lower amount can be awarded which will make the tenancy sustainable for the applicant.

The applicant has failed to comply with a recommendation attached to a previous award with regard to improving their financial situation.

The applicant has rent arrears which the authority is satisfied were accrued with an intention to obtain social housing or an award under this scheme.

Subject to a disregard of £500, the applicant has capital in excess of the DHP award being made.

Circumstances where a DHP cannot be considered

There are certain elements of an applicant’s rent that the HB and UC regulations exclude so they cannot be included as ‘housing costs’ for the purposes of a DHP.

Ineligible charges: service charges which are ineligible for HB or UC cannot be covered by a DHP. These are;

as specified in Schedule 1 to the Housing Benefit Regulations and Schedule 1 to the Housing Benefit (Persons who have attained the qualifying age for state pension credit) Regulations.

not included in paragraph 7 of Schedule 1 to the Universal Credit Regulations

Increases in rent due to outstanding rent arrears: under Regulation 11(3) of the Housing Benefit Regulations and Regulation 11(2) of the Housing Benefit (Persons who have attained the qualifying age for state pension credit) Regulations, where an applicant’s rent is increased on account of outstanding arrears owed by the applicant in respect of their current or former property, the shortfall cannot be covered by a DHP.

Sanctions and reductions in benefit including any:

reduction in Income Support (IS) or income-based Jobseeker’s Allowance (JSA(IB)) due to a Reduced Benefit Direction (RBD) for failure to comply with the Child Support Agency in arranging maintenance.

reduction in benefit as a result of non-attendance at a work-focused interview. This applies both where the person’s HB is reduced and when any other benefit that the person is receiving (such as IS) is subject to a sanction;

reduction or loss of benefit due to a JSA employment sanction.

reduction in benefit due to a JSA sanction for 16/17 year olds – for young people who receive JSA under a Severe Hardship Direction

restriction in benefit due to a breach of a community service order, or

reduction in UC due to a sanction as specified under regulations 100 to 114 of the UC Regulations 2013

Shortfalls caused by HB or UC overpayment recovery:

Benefit suspensions: Where HB or UC is suspended either because there is a general doubt about entitlement or because an applicant has failed to supply information pertinent to their claim

Calculation of Award

The maximum level of a DHP award

If the purpose of the DHP is to meet an on-going rental liability, the level of DHP shall not exceed;

the weekly HB eligible rent, or

The monthly amount calculated in accordance with Schedule 4 of the UC regulations (i.e. the value stated for housing costs on a UC award notice).

Any HB or UC already paid towards 'housing costs' shall be deducted when calculating the amount of a DHP to avoid duplicate provision.

The basic DHP award;

After carrying out a financial assessment any amount by which income exceeds expenditure shall be deducted from the shortfall between the HB/UC. The result shall be the basic DHP award

The basic DHP award may be adjusted depending on the personal circumstances of the applicant.

In cases where an applicant is subject to the social size criteria DHP will only be considered for a 1 bedroom shortfall after 21 weeks, unless the applicant is experiencing exceptionally serious financial hardship.

Persons exempt from the financial assessment

The following categories of people will be exempt from the financial assessment but will remain subject to a test of their capital.

Recommendations to improve financial situation

In addition to any recommendations arising from a finding that a applicant is suffering from financial hardship the Council may make recommendations with regard to an award of DHP in the following circumstances:

Persons subject to the social size criteria;

- The applicant contacts the landlord with a view to moving to smaller accommodation or
- By registering with a council exchange or a similar web-based organisation which helps people swap homes.

of DHP. There is a separate and statutory duty to notify the authority or the DWP of any changes which may affect HB or UC. This notification must be provided as soon as is practicable and in any case within 1 calendar month of the change.

Date changes are applied from

A change in circumstances which would give rise to a change in the amount of DHP shall have effect from;

It is a change which will lead to an increase in DHP and the change was notified within 1 calendar month of that change or such longer time the authority considers reasonable.

In all other cases the change will be effective from the date of notification

The authority may review an award at any time, and as a result of that review may decide that DHP has been overpaid. An overpayment will be recoverable if it arose due to,

Reviews

Review

The authority will review an award of DHP if the award of Housing Benefit or, as the case may be, the Housing Costs Element of an award of Universal Credit increases. The review will reduce the award of DHP by an amount equal to the increase in the award of Housing Benefit or the Housing Costs Element of an

award of Universal Credit

An applicant may require that the authority review any decision within 1 calendar month of the date of the decision, a request for a review must be submitted as follows;

In writing to the authority and

State the grounds on which the decision is being challenged and include any evidence to support that challenge.

On receipt of an application for a review, an officer, other than the original decision maker shall, within 1 month, consider the decision afresh in light of the representations and any new evidence available to it and advise the applicant;

Whether or not the decision has been changed and;

the reasons for that decision.

In the event that a person remains dissatisfied with a decision a challenge can only be raised by way of Judicial Review.

Legislation

The DHP scheme is set out in the Discretionary Financial Assistance Regulations 2001 (DFA) regulations (S.I.2001/1167) as amended by the Council Tax Benefit Abolition (Consequential Provisions) Regulations 2013 (S.I. 2013/458), which came into force on 1 April 2013; and the Universal Credit (Consequential, Supplementary, Incidental and Miscellaneous Provisions) Regulations 2013 (S.I. 2013/630), which came into force on 29 April 2013.

The authority can use its own funds to top up the Government contribution by an additional 150%. Once this overall cash limit is met, no additional DHPs can be awarded in that tax year. If the authority goes over this limit it is breaking the law.

The legislation which specifies the overall limit on expenditure is Article 7 of the Discretionary Housing Payment (Grants) Order 2001 (S.I. 2001/2340).

Any unspent DHP funding from the Government contribution is returned to the Department at the end of the financial year

Part 3 Provisions Specific to DCTHS

The purpose of DCTHS is to relieve people in particular need of the requirement to meet all, or part of, their liability to pay the Council Tax.

Council Tax is a priority debt; taxpayers are therefore obliged to treat their liability as taking precedence over expenditure such as;

credit card debts

hire purchase agreements (HP)

unsecured bank and payday loans (loans that are not secured against property)

water bills

Sky/Broadband subscriptions

car insurance

loans from friends and family

Therefore when deciding eligibility for an award of DCTHS, the test will be more stringent than for DHP.

Eligibility for DCTHS

An applicant will only be entitled to an award under this scheme if

The applicant has an outstanding amount of council tax liability.

The council is satisfied that the applicant is suffering from severe financial hardship

The applicant has exhausted all other options with regard to improving his or her current financial circumstances.

The authority has sufficient funds available and making an award would not unreasonably impact on its ability to make awards to other applicants.

The application does not relate to an empty property normally let on a commercial basis.

Expenditure

The expenditure for the scheme is limited to £750,000

Applications

In most cases, the person who applies for a DCTHS is the person liable for Council Tax. However, an application may be accepted from another person appointed to act on behalf of the applicant at the authority's discretion.

Unlike DHP there is no statutory requirement that a claim be made for an award.

The authority will consider making an award in the absence of a claim if;

There are arrears of Council Tax and the council has obtained a liability order in respect of those arrears, and

The council is satisfied that, on the basis of information either already in its possession or provided to it by another agency, the person against whom any liability order has been obtained would receive an award were an application made, and

Those arrears have not been accrued as a result of reckless spending and

It is appropriate to make such an award having regard to the principals of this policy.

Calculation of Award

The maximum level of a DCTHS award

The maximum level of a DCTHS is the amount of Council Tax debt outstanding excluding costs of recovery such as summons costs and bailiff fees although these may be considered for waiver in exceptional circumstances.

Assessments of Award

Assistance may be claimed for historic liability, the liability for the current year or both.

Backdated awards

In respect of an award for a past period the authority will satisfy itself

As to the amount the applicant can afford to pay towards the debt on a weekly basis,
That the applicant was not able to pay part or all of the amount of Council Tax outstanding at the time it fell due and that this inability was not due to financial mismanagement on the part of the applicant

On-going awards

In respect of an award for a current period the authority will satisfy itself

As to the amount that the applicant can afford to pay towards the liability on a weekly basis.

That the inability of the applicant to meet the liability was not caused by financial mismanagement/reckless spending.

In cases where an applicant is jointly and severally liable with one or more persons who are not his partner the council may, in lieu of the making of an award under this scheme, provide the applicant with an undertaking not to pursue the applicant for part or all of the Council Tax liability.

Provisions Regarding Care Leavers
