To: Local Residents/Occupiers

Dear Resident

Re: Juniper House, Walthamstow E17 9PH

We have been appointed by Waltham Forest Council to build 91 mixed tenure homes at the above location. Demolition works are due to start on Friday 1st November 2019, ready for the construction of the new buildings at the beginning of 2020. The project will also include commercial units and a new nursery when it is completed in spring 2022.

During the works, some inconvenience may be caused to local residents. We assure you that we will endeavour to keep this to an absolute minimum. Construction sites can be dangerous places and we would ask for your co-operation in keeping everyone outside the site perimeter at all times.

Our working hours will be Monday to Friday 8am to 6pm and if required Saturday 8am to 1pm.

Information on the scheme is available on www.walthamforest.gov.uk/JuniperHouse where you can also sign up for the Councils email newsletter about Juniper House.

If you require any further information, we will be only too pleased to answer your questions. We can be contacted through our resident and community liaison team on free phone 0800 032 6760 or by email to residents@hill.co.uk

Yours faithfully

Steve Matthews
Project Manager
