

Dear Waltham Forest neighbour,

Following our initial residents meeting which was held in October, we will be hosting a second meeting for local residents who were unable to attend, so we can share the overview of our plans for Summer 2021.

As part of the timeline for our shows next year, our Planning and Licensing applications have now been submitted to Waltham Forest Council.

Secret Group Ltd are global pioneers of immersive live events. Our screenings fuse film, music, theatre and performance. Audiences explore richly-detailed, immersive worlds where fiction and reality blur, culminating in a screening of a chosen film.
