(T37a(20))**

**AND**

**EXPERIMENTAL EXTENSION OF: HIGHAM HILL (EXTN. 2) (T37b(20))  
AND WOOD STREET NORTH (EXTN. 1) (T37c(20))**

**CONTROLLED PARKING ZONES (CPZS) (*all E17 streets*)**

**STATEMENT OF REASONS**

To provide adequate on street parking facilities for residents, visitors, business' and essential users in certain streets in and around the Higham Hill region the council intend to extend the existing HH CPZ into several streets east of Higham Hill Road; create a new CPZ north of Billet Road called Higham Hill North (HHN) and extend the existing Wood Street North (WSN) into Wigram Square E17.

In proposing to make these orders consideration has been given to securing expeditious, convenient and safe movement of vehicular and other traffic and the provision of suitable and adequate parking facilities on the highway.

The Orders are being introduced on experimental basis in order to assess their effectiveness and in certain circumstances, changed quickly should it be deemed necessary.

In due course the Council intends to consider making permanent Orders which would continue in force indefinitely the provisions of the experimental Orders.
