

Cockroaches treatment

Proofing

- Replace missing tiles in the kitchen & bathroom
- Make sure tiling is grouted properly
- Seal gaps around door & window frames, skirting boards, workshops & electrical sockets with mastic sealant
- Replace broken electrical sockets

Hygiene

Do all you can to remove sources of food for the cockroaches –

- Clear up after every meal & do not leave food lying around, especially overnight
- Keep lids on waste bins & empty them regularly
- Clean regularly, especially in the kitchen. Move kitchen equipment & clean beneath

Housekeeping

- Use jars or sealed containers for packaged or loose food
- Keep cupboards & drawers tidy, check inside boxes & throw out unwanted items
